

Save money on your hearing aid batteries

If you're not using our batteries, let me tell you how to start saving money today. Your normal battery price in our office is \$3.25 for a 6 pack of 1.4 volt long life zinc air batteries. This includes all the standard sizes, #675, #13, and #312. The #10 are slightly more. After you've bought 7 packs, the 8th package is free. There is also **special carton pricing** with pricing per battery as little as \$0.42 each.

Here are more advantages:

Program	Quantity to Purchase	Cost per battery
Normal Price	Single 6 pack @ \$3.25	54¢ ea.
Battery Club Price	7-6 packs @ \$3.25 ea. with the eighth pack free	47¢ ea.
Carton Price	10-6 packs for \$25.00	42¢ ea.

1. **No need to buy large quantities** in order to get your discount with the Battery Club. Just buy 7 packs at our regular price over any period of time and you'll get the 8th free. We'll use our computer to track purchases. There is no need to prepay or keep track of easy to loose punch cards.

2. **Conveniently purchase** by stopping in the office Monday-Friday 9-5. If you can't make it in, call the office and we'll mail them to you.

3. **High quality** premium long life zinc air which can't be purchased in retail stores. You simply cannot get a better battery.

4. **No sign up fee** because the battery club is available

to all hearing aid users. Even if your hearing aids were not purchased here, we'd be happy to get you started in the club.

*... if you or someone you know has never tried our batteries, call or stop in today to join our battery club. You'll receive your first package **FREE** just for registering.*
